January 2026

Happy New Year!

January can sometimes feel like a difficult month to get through. It is dark, cold, and lacks the joyful holidays that helped us get through December. I would like to encourage all of us to hold onto the joy and peace of Christmas even as shops change their decorations from Christmas to Valentine's Day and the radios all start playing their usual music rotations.

As Christians, we are called to live lives distinct from the world around us. And part of that means not hanging up Christmas so soon after it is done. We should continue to ponder the birth of Christ and use the hope he brought us to sustain ourselves through these dark months of the year.

I cannot say one way or another if 2026 will be a good year. I do not dare try and predict how God moves in our world. But I will say that I am full of hope. My faith in Christ sustains me, yes, but so does my faith in this church. What a blessing it has been to be called to serve such a caring, supportive, and faithful community for my first call!

I am sustained by the excitement of entering a new season with you all. We will have a chance to celebrate the Epiphany together for the first time and then the Baptism of our Lord together for the first time. Every Sunday still feels like a chance to experience church anew.

With the changing of the months, I feel it is appropriate to let you all know that I will be taking my First study leave from January 19 – February 3. This study leave is a continuation of the Parish Pulpit Fellowship I received from Princeton Theological Seminary. I will spend two weeks in Japan, learning about the history of religion in that country and connecting with Christians living and working there. When I return, I hope to lead an adult education hour to share with the congregation what I have learned.

As the rush of the holidays dies down, I hope we can take some time and get to know each other a little better. Linger a little during coffee hour. Knock on my office door and come in for a chat. Send me pictures from your own travel experiences and share stories with me.

Whether the new year brings about feelings of nervousness, excitement, or exhaustion, I hope you know that your church family is here for you! We will walk with you through whatever God has in store for us in 2026!

Rev. Adrienne Poissant

## 1ST QUARTER MISSION

**1ST QUARTER MISSION** — It's a new year – with an age-old challenge: HUNGER! Our first quarterly Local Mission once again focuses on helping to feed the hungry in two local “soup kitchens”: Manna House and Harvest House. Both of these long-running programs have adapted to the changes that come with time as they continue to provide a solid meal to those in need. Your donations will ensure the food and supplies that are needed will be available in order to serve our local population in need. Please help us continue to support these well-established organizations with a check made out to FPCB with “1st Quarterly Mission” in the memo line. If you are in the sanctuary, you can use the special envelopes in the pew. Your donations really make a difference!

## DECEMBER SESSION MEETING HIGHLIGHTS 12/08)

- The Scoutmaster and Assistant Scoutmaster from Troop 180 attended the meeting to thank the church for sponsoring the Troop for decades. The Troop has ceased operations and presented us with a check for \$2,7070.21, which represents the balance of the Troop's account.
- The background checks and safety training for the Session is almost complete.
- The Session discussed how best Pastor Adrienne can be available for pastoral care. She will post her hours on her office door and we're exploring whether our phone system can forward emergency calls to her cell phone after hours.
- Pastor Adrienne will be traveling for her fellowship and will be absent on January 25 and February 1. Mike Opilla will be in the pulpit both Sundays.
- To accommodate her absence, we will move the Congregational Meeting to January 18 and February communion to February 8.
- We are consolidating our Provident Bank accounts from 5 to 2 accounts, one for general funds and one for capital improvements.
- Stop the bleed kit was donated from Pastor Adrienne's father. Mr. Poissant will also do a gratis safety inspection of the property.
- The Electronic Meeting Policy was approved by the Session and will be incorporated into the Operations Manual.
