THIRD QUARTER LOCAL MISSION — Our 3rd Quarter Mission project is one we have supported for a number of years because Presbyterians support public education! It is DonorsChoose, a website where teachers post requests for classroom resources. This helps offset the money that teachers spend out of pocket each year to give their students the best classroom experience that they can. We will be collecting your donations to add to the budget and will select our educational projects at the end of September. We'll be sure to let you know where the money went!!
